

amasty

For more details see the [Shipping Restrictions](#) extension page.

Guide for Shipping Restrictions

Limit shipping methods by country, product names, brands or any other product attributes. Set shipping restrictions based on customer group, order total or weight etc. to take delivery under control.

- Block whole carriers or specific shipping methods
- Limit shipping based on product and customer attributes
- Set restrictions based on country, state, other shipping data
- Use coupons to trigger rules application
- Restrict methods for customer groups and store views

General Settings

Shipping Restriction Save Config

General

Include tax in subtotal	Yes	[STORE VIEW]
Use subtotal after discount	Yes	[STORE VIEW]
Always show error message	Yes	[STORE VIEW]

Go to **System → Configuration → Amasty extensions → Shipping Restrictions**

Include tax in subtotal - Set this option to 'Yes' if you want to include taxes to the subtotal.

Use subtotal after discount - if this option is set to 'Yes' the subtotal will be calculated with a discount.

Always show error message - Set this option to 'Yes' if you want always show the error message if one of the shipping methods isn't available. So, if other methods are available, they will be shown together with error message.

Create Shipping Restrictions

To configure rules for Shipping Restrictions please go to the admin panel → Sales → Shipping restrictions.

Restrict ALL METHODS from Carriers

Restrict Shipping Methods

Error Message

Restrict ALL METHODS from Carriers - Please select Shipping Carriers, which you would like to block with this rule. The restriction rule will be applied to all methods of the selected shipping carriers.

Restrict shipping methods - in this field, you can select certain shipping methods of any carriers to restrict them.

The extension doesn't show to customers the restricted shipping methods. But in case the option 'Show Method if Not Applicable' is on (to check it, go to the admin panel → Configuration → Sales → Shipping Methods), the restricted methods are displayed. But if a customer tries to select it, he will see the error message. The text of the message you can specify in the field '**Error Message**'.

Apply Restrictions Only With

Coupon Codes

▲ Apply this rule with provided coupons only. Comma separated. Create coupon in [Promotions / Shopping Cart Rules](#) area first.

Shopping Cart Rules (discount)

▲ Apply this rule with ANY coupon from specified discount rules. Create rule in [Promotions / Shopping Cart Price Rules](#) area first. Useful when you have MULTIPLE coupons in one rule.

Do NOT Apply Restrictions With

Coupon codes

▲ Not apply this rule with provided coupons. Comma separated. Create coupon in [Promotions / Shopping Cart Rules](#) area first.

Shopping Cart Rules (discount)

▲ Not apply the rule with ANY coupon from specified discount rules. Create coupon in [Promotions / Shopping Cart Price Rules](#) area first. Useful when you have MULTIPLE coupons in one rule.

Apply Restrictions Only With - You can set restrictions to be applied when specific coupons are used. Please, notice that you should configure the rule in Promotions/Shopping Cart Price Rules first. Otherwise, this option will not be available.

Do NOT Apply Restrictions With - You can also define when restrictions won't be applied if specific coupons are used. Please, notice that the rule should be configured in Promotions or Shopping Cart Price Rules first. Otherwise, this option will not be available.

New Rule

Back Reset Save Save and Continue Edit

Apply the rule only if the following conditions are met (leave blank for all products)

If **ALL** of these conditions are **TRUE** :

Subtotal **equals or greater than 100**

Total Weight **equals or greater than 50**

Shipping State/Province **is Hawaii**

Shipping State/Province **is Alaska**

If **total quantity equals or greater than 5** for a subselection of items in cart matching **ALL** of these conditions:

Category **is not one of 8, 12**

SKU **is not one of mm-a900m, 98739GR, sw98028!**

Backorders

Apply the rule to

- All orders
- All orders
- Backorders only
- Non backorders**

Specify in what cases the rule will be applied. For example, you can set the rule to be applied when the order subtotal is less than 100, its weight is more than 50, the delivery state is Hawaii or Alaska. You can also specify SKUs, categories and other product attributes to limit delivery options for particular products.
