For more details see how the [Free Shipping Bar](#) extension works.

# Guide for Free Shipping Bar for Magento 2

Boost your order value and increase sales easily with Magento 2 Free Shipping Bar extension. Promote your free shipping offer based on your business needs.

- Show a free shipping bar to let your customers know the amount needed to get a free shipping
- Automatically update the current cart total and the amount left
- Use an instant preview of the free shipping bar configuration
- Specify the success message for the customers who reached cart subtotal goal
- Benefit with flexible design and customization of the shipping bar

The extension is compatible with the Hyvä Theme for the Free Shipping Bar. You can find the 'amasty/module-free-shipping-bar-hyva' package for installing in composer suggest (Note: the compatibility is available as a part of an active product subscription or support subscription).

Get Free Shipping for the order over 250\$.  

**Bar State** - choose the state of the bar to preview.

- **Initial State** - enable to see the bar that will be displayed to the customers with no items in a cart.
- **In Progress State** - choose this option to check the relevant content of the bar according to the current cart total.

Bar State

In Progress State	▼
-------------------	---

Only 125\$ left for Free Shipping.  

- **Achieved State** - select this option to see how the success message is displayed.

Bar State  ▼

Good news: your order will be delivered for Free. ⓘ ✕

You can also check the display of the design changes applied to the bar right here.

## General

### General

Bar Name   
Will be visible only for admin in Free Shipping Bars grid

Bar Status  Active

Cart Subtotal Source  ▼

Cart Subtotal Goal \*

Priority \*

**Bar Status** - enable or disable the status of free shipping bar by choosing *Active/Inactive*.

**Cart Subtotal Source** - set 'Specify Manually' to configure your free shipping goal manually a bar. Set 'Free Shipping Configuration' to use the default Free Shipping Amount value of Free Shipping Magento Method configuration.

To find your Magento Free Shipping Method Settings go to 'Stores' - 'Configuration' - open 'Sales' tab - 'Shipping Methods' - 'Free Shipping'.

**Cart Subtotal Goal** - set the cart subtotal goal required to get a free shipping. The tab enables if you've picked 'Specify Manually' in Cart Subtotal Source Settings.

**Priority** - if you create different bars for different store views and customer groups it's may be useful to set priority for a bar. In case you create 2+ bars for the same store view or customer group, users will see only the bar with higher priority.

In some cases you will need to refresh the Full Page Cache for the changes to take effect.

## Websites & Customer Groups
