Guide for Gift Wrap for Magento 2

Boost sales and provide a better shopping experience with Magento 2 Gift Wrap. Improve your holiday marketing strategy by applying additional services.

- Add multiple gift wrap options from the admin panel
- Let customers choose and attach gift message cards
- Wrap ordered products together or separately
- Limit the items available for wrapping
- Place wrapper selectors on product pages and shopping cart

With the help of Magento 2 Gift Wrap, you'll provide customers with additional options and improve their shopping experience. Similar to Amazon, the functionality will bring your customer service to a new level and give additional profit. The extension is designed to completely satisfy your customers and motivate them for coming back.

Configuration

To configure general extension settings please go to **Stores → Configuration → Amasty Extensions → Gift Wrap**.

Admin's Note for Customers
[store view]

Item(s) will be sent packaged in a gift box. Please remember, once enclosed you will be unable to see the contents of the package.

Here you can greet your customers, tell them more about wrapping peculiarities, encourage to beautifully wrap their purchases, etc. The message will be shown during the whole wrapping process on the storefront.

Enabled - set the option to 'Yes' to run the extension.

Allow to Add Wrap on - choose the pages on which the gift wrapping option will be allowed for customers.

If set to 'Yes', gift messages will be available for customers only after Gift Card choosing.

Gift Message Placeholder
[store view]

e.g. I'm truly grateful to have a friend like you!
Happy Holidays!

Leave empty if placeholder is not needed.

Enable Dependency of Gift Message on Gift Message Card - set this option to 'Yes' to allow

customers to add gift messages if the Gift Card is chosen.

Gift Message Placeholder - insert any example text to make the placeholder visible for customers, and leave it empty if the placeholder is not needed.

Tax

With the extension, it is possible to set taxes for gift wraps and message cards.

Tax

The screenshot shows a configuration interface with four rows of settings, each with a label and a dropdown menu:

- Wrap Tax Class Id** [store view]: Order Gift Wrapping
- Message Card Tax Class Id** [store view]: Order Gift Wrapping
- Display Wrap Prices** [store view]: Including and Excluding Tax (with a dropdown menu open showing options: Excluding Tax, Including Tax, and Including and Excluding Tax)
- Display Wrap Price in Order Total** [store view]: Including and Excluding Tax (with a dropdown menu open showing options: Excluding Tax, Including Tax, and Including and Excluding Tax)

Create a new tax rule, select the necessary tax class and adjust tax settings.

The image displays three side-by-side screenshots of a Magento 2 checkout summary page, illustrating different configurations for gift wrap pricing. Each screenshot shows a 'Summary' section with a 'Subtotal' of \$97.00 and a 'Tax' of \$8.68, resulting in an 'Order Total' of \$110.18. A blue 'Proceed to Checkout' button is visible in each.

Excluding Tax	\$4.50	\$5.18

The **Display Wrap Price** setting only affects the **display** of rates; regardless of the setting, they are calculated in the **Tax** line.

Products for Wrapping

Some items are hard or even impossible to wrap. For this reason, by default, the option is disabled for all the products. But with the extension, you may easily specify the items for which the gift wrapping will be available.

Now it's time to enable wrapping for the products you need. You can quickly do it via mass action by updating product attributes. Please, go to **Catalog → Products**.

Buyers can choose and edit gift wrap options on the **Shopping Cart** page.

The screenshot shows a shopping cart interface for 'LUMA'. The cart contains two items: 'Clamber Watch' and 'Cruise Dual Analog Watch'. A modal titled 'Make It a Gift' is open, displaying a message: 'Item(s) will be sent packaged in a gift box. Please remember, once enclosed you will be unable to see the contents of the package.' Below this, there is a 'Choose the Gift Wrap' section with a progress indicator '1'. Four gift wrap options are shown: 'Christmas 1' (\$1.00), 'Christmas 2' (\$1.00), 'Red Rose' (\$2.00), and 'Wild Flowers' (\$1.00). A 'Next >' button is at the bottom right of the modal. In the background, the cart items have 'Add' buttons and 'Move to Wishlist' links. At the bottom of the cart area, there is an 'Add Gift Wrap' button with a hand cursor and an 'Update Shopping Cart' button.

Also, customers can wrap each product in the cart separately, as well as choose different cards for each item.
