Guide for Lite Layered Navigation for Magento 2

Speed up the shopping process and reduce cart abandonment rate with Magento 2 Lite Layered Navigation extension. Provide your customers with advanced filtering experience and increase conversion.

- Speed up filtering process with AJAX functionality
- Activate multi-select option to make navigation convenient
- Use the price slider to display only relevant items
- Adjust mobile filtering with responsive navigation
- Benefit from full responsive navigation and filtering
- Compatible with built-in Magento and Amasty Elastic Search

This extension is now available as a full-featured integration for the **Jet Theme by Amasty**. [Learn more here →](#)

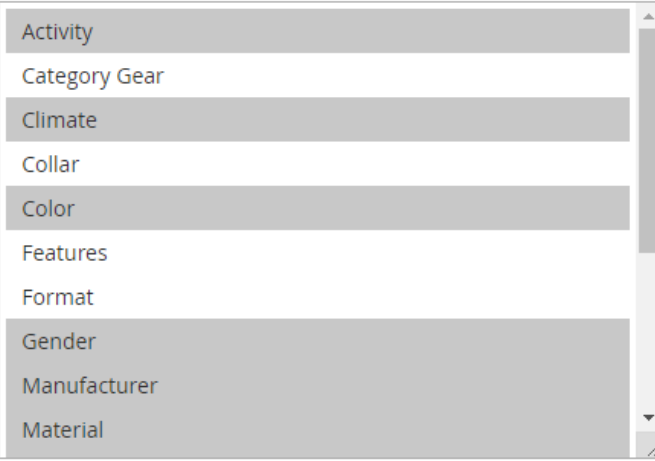

General Settings

To configure the extension, please go to **Stores → Configuration → Amasty Extensions → Price Slider & Filters**.

General

Enable Ajax [store view] 
Enable this option to let customers apply filters without page reloads.

Scroll to top after AJAX load [store view] 

Enable Multiselect for Filters [store view] 

Enable Price Slider [store view] 

Price Slider Step [store view]

Add Vertical Scrolling to Filter Block After [store view]
Set maximum box height in px, to disable enter 0.

Enable AJAX - enable this option to let customers apply multiple filters without page reloads.

Scroll to top after AJAX load - set to Yes to automatically navigate customers to the page top after filtering.

Enable Multiselect for Filters - specify the filters for which a multiselect option will be allowed.

Enable Price Slider - select Yes to display a handy price slider on the frontend.

Price Slider Step - specify the interval that will be shown when a customer moves the slider, e.g. if this option is set to 10 and the starting value is 40, a user will be able to choose 40, 50, 60, etc. value as the initial or final price. If 1 is set, a customer will be able to choose the price of 41, 42, 43 and so on .

Add Vertical Scrolling to Filter Block After - specify maximal filter size (in pixels) that will be displayed without vertical scrolling. In case a filter is higher than the indicated size, the scrolling will appear. To disable scrolling, enter 0.

Advanced Options

Price Slider & Filters is the lite version of **Magento 2 Improved Layered Navigation**. Check our Pro version to add more options to your navigation system.

Frontend Examples

Grow the chance of making a purchase by letting users multiselect filter options.

The screenshot displays a product page for 'Tees'. On the left, there is a layered navigation sidebar with the following sections: 'Now Shopping by' (Size: S, M; Color: Orange, Purple; Clear All), 'Shopping Options' (SIZE: XS, S, M, L, XL; PRICE; COLOR: Black, Blue, Grey, Green, Orange, Pink, Red, White, Yellow; MATERIAL; PERFORMANCE FABRIC; NEW). The main content area shows three product listings: 'Desiree Fitness Tee' (As low as \$24.00), 'Elisa EverCool™ Tee' (As low as \$29.00), and 'Diva Gym Tee' (As low as \$32.00). Each listing includes a product image, name, star rating (3 reviews), price, size selection buttons (XS, S, M, L, XL), and color swatches.

Add a handy vertical scrolling to easily filter multiple values.
